MINUTES OF 1963 TOWN MEETING

At a legal meeting above notified and held at the School Building in Greenland, N. H., on Tuesday, March 12, at 8:00 o'clock in the evening, the meeting was opened by a salute to the Flag led by Girl Scout, Sharon Chase; Boy Scout, Robert Purdy; following which the Invocation was given by the Reverend Sion M. Lynam. The Warrant was then read by Moderator John R. Brackett.

Articles 1 and 2; By non-partisan ballot cast from 10 A. M. to 6 P. M., the following officers were elected and sworn in by the Moderator, as soon as announced by the town clerk, Esther M. Beals.

Town Clerk — Bonnie L. Tebbetts
Selectmen for 3 years — Frank G. Rolston
Treasurer — Constance Syphers (sworn in March 13 by clerk)
Tax Collector — Andrew R. Schools
Fire Chief — William B. Brackett
(Sworn in March 25 by clerk)
Highway Agent — W. Richard Weeks
Auditors — Herman W. Parker, Frank E. Wirling
Library Trustee for 3 years — Russell A. Rolston
Trustee of Trust Funds for 3 years — Webster H. Kohlhase

Also sworn in were the following appointed officers:
Chief of Police — Richard D. Wentworth
Deputy Police — Raymond J. Maher
John A. Chick (sworn in March 15 by clerk)
Frederick Bourassa
A. Duncan Brackett
Health Officer — Walter E. Purrington
Building Inspector — Roy K. Fernald
Water Board for 3 years — Herman W. Parker

Planning Board for 5 years — Norman B. Nichols
Board of Adjustment for 5 years—Elroy D. Witham

Article 3. Newton Weeks explained town charges and expenses and moved that the town vote to raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same. The estimated amount for town charges is $22,449.00. Seconded by Frank Rolston. Jarib Sanderson made a motion to amend Article 3, to read that the selectmen's salaries be held by the treasurer for one year until they should assess the town according to law. The motion was not seconded, therefore lost. Article 3 was then passed.

Article 4. It was moved by Herman Parker, seconded by Sumner Patton, that the town vote to raise and appropriate for the building, repair and maintenance of highways and bridges the estimated amount of $5,000. for summer work and $4,500. for winter work. Article 4 passed.

Article 5. It was moved by Donald Ladd, seconded by Violet Chisholm, that the town vote to raise and appropriate the sum of $112.06 against the state's $747.04 for construction and maintenance of Class V roads. Motion passed.

Article 6. Mr. Jette made the motion, and it was seconded by Mr. Ostromecky that this article be withdrawn from the warrant. After some discussion by Mrs. Bunker, Mr. Frank Rolston, Mr. Roland Parent, and Mr. Herman Parker as to the merit of spraying the elm trees, this motion was lost. A motion was made by Russell Rolston, seconded by Donald Ladd, and it was voted to raise and appropriate the sum of $450.00 for the extermination of moths and elm tree beetles. Article 6 passed.

Article 7. The motion was made by Russell Rolston, seconded by Mr. Gage, that the town vote to raise and appropriate the sum of$1,000. for the support of the Weeks Public Library. Article 7 passed.

Article 8. Mr. Russell Rolston explained the feeling of the Library Trustees that the town should vote on this article. Motion was made by Mr. Sanderson, seconded by Mr. Gardner, that the town vote to raise and appropriate a sum not to exceed $1,000. for the purpose of installing a toilet in the Weeks Public Library. Motion passed.

Article 9. Motion was made by Russell Rolston, seconded by Franklin Durgin, that the town vote to raise and appropriate the sum of $1,000. for the care of cemeteries. Motion passed.

Article 10. Mrs. Wyckoff expressed the need for more money to be used in caring for the parks. Mrs. Violet Chisholm explained that the Grange was planning to take care of some of this work through their organization. The motion was then made by Mr. Sanderson, seconded by Mr. Richard Weeks that the town vote to raise and appropriate the sum of $175.00 for the care of the parks. Motion passed.

Article 11. Motion was made by Franklin Durgin, seconded by Kenneth Fernald, Jr., that the town vote to raise and appropriate the sum of $50.00 for the observance of Memorial Day. Motion passed.

Article 12. After Mr. N. Weeks explained the work of the Seacoast Regional Development Association, he then made a motion and it was seconded by Russell Rolston that the town vote to raise and appropriate the sum of $160.00 for the Seacoast Regional Development Association for publicity and promotion as authorized by State Statute. Motion passed.

Article 13. Mr. Gardner asked for an explanation of this article. Mr. Frank Rolston explained the need for the selectmen to have this authorization. A motion was made by Doneld Ladd, seconded by Frank Lane, that the town vote to authorize the selectmen to borrow money on short term notes in anticipation of taxes. Motion passed.

Article 14. Herman Parker spoke of the past work of the water board, also of their plan for the future, asked for a continuing program for development. Mr. Hague spoke in favor of the water program as needed for fire prevention. Phil Lorenz spoke as a member of the fire department in favor of the program, saying it would also be helpful for future industries should they come to Greenland. Harry Dowling asked about details on a long range plan. Mr. Frank Lane explained the difficulties of setting up a definite long range plan. He also explained the need to continue to work with Portsmouth through the program set up by the water board. A motion was made by Herman Parker, seconded by Harland Boardman, that the town vote to raise and appropriate the sum of $5,000. to be used at the discretion of the water board and approved by the selectmen toward the further development of the water system in the town of Greenland, N. H.

Article 15. Motion was made by Russell Rolston, seconded by Mr. Preeschl, that the town accept 700 feet of road called Meadow Lane running in a northwesterly direction from McShane Avenue and 700 feet of road called Hillside Dr. running in a northwesterly direction from McShane Avenue joining each other on a curve of intersection. These roads have been built according to specifications and meet the approval of the Planning Board and the Town Road Agent and are extensions of roads which were accepted by the town in 1961 and 1962. Motion passed.

Article 16. Frank Rolston explained the amount needed for the purchase of a new cruiser had been arrived at after choosing the lower price of bids submitted. There was some discussion on the advantage of private cars rather than a town owned cruiser. Mr. Wentworth explained his work in the police department, said the present cruiser had been inoperable all winter, that the cruiser body was worn out. Mr. Maher stated he felt it was more expensive to use private cars in this work. A motion was made by Duncan Brackett, seconded by Mr. Maher, that the town vote to raise and appropriate the sum of $1,790. to purchase a police cruiser. Mr. Sanderson moved this vote be taken by secret ballot, seconded by Mrs. Wyckoff, and it was so voted. Total votes cast were 116. For motion 78; against 38. Article 16 passed.

Article 17. Mr. Russell Rolston moved that the town vote to the Board of Selectmen may authorize the numbering of buildings on the public streets of the town of Greenland in accord with a standard system of marking, seconded by Mr. Demo; motion passed.

Article 18. Br. Bernard Coit questioned the need for an airport in this area with three available at present. Mr. D. Richards explained that present airports were not suitable for the type of aircraft to be used. After several questions which couldn't be answered satisfactority due to lack of information on this subject Mr. H. Boardman moved this article be tabled, it was seconded by Frank Tebbetts and so voted. Article 18 tabled.

Article 19. Mr. Gardner asked for specific reasons for submitting section k, article III, included in Article 19. Glen Harvey explained this was just a varifying of a previous zoning law, the Planning Board was only trying to make the meaning more explicit. Frank Rolston read the same zoning law passed at the town

meeting in 1952. Mr. Sanderson moved the town vote to amend the Zoning Ordinance by adopting the revised code of Zoning Regulations as recommended by the Planning Board, seconded by Mr. Ladd. Russell Rolston moved to amend this motion and vote on separate sections, seconded by Parker Rolston. After some discussion and recommendations by the Planning Board, Mr. Rolston withdrew his motion to amend and Article 19 was voted as stated. Article 19 passed.

Article 20. On a motion by Rev. Sion Lynam that the meeting honor Mrs. Esther Beals; a rising vote of appreciation was given her for five and one-half years of faithful service as Town Clerk.

Meeting adjourned at 10:20 P.M.

BONNIE L. TEBBETTS,

Town Clerk

TOWN WARRANT
GREENLAND, NEW HAMPSHIRE

THE STATE OF NEW HAMPSHIRE
(L.S.)

To the Inhabitants of the Town of Greenland in the County of Rockingham in said State, qualified to vote in Town Affairs:

You are herby notified to meet at Greenland Central School in said Greenland on Tuesday, the tenth day of March next at ten of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

(The polls will open at 10:00 A.M. and will close no later than 6:00 P.M. to elect Town Officers. Discussion and action on the other articles in the warrant will take place in the evening beginning at 8:00 P.M.)

2. To hear the report of the Town Clerk on the result of your ballot in the election of Town Officers.

3. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same. The estimated amount for town charges is $22,546.50.

4. To see what sum of money the town will vote to raise and apppropriate for the building repair, and maintenance of highways and bridges. The estimated amount is $5,500. for summer work and $4,500. for winter work.

5. To see if the town will vote to raise and appropriate a sum not exceeding $1,500. for the purpose of improving Winnicut Road from the entrance to Coak-

ley's Gravel Pit to the top of the hill near Spinney's driveway as a State Aid Reconstruction project, providing the state contributes, on a 3 to 1 basis, a sum not exceeding $4,500.

6. To see if the town will vote to raise and appropriate the sum of $115.79 against the state's $771.93 for construction and maintenance of Class V roads.

7. To see if the town will vote to raise and appropriate the sum of $450. for the extermination of moths and elm tree beetles.

8. To see if the town will vote to raise and appropriate the sum of $1,200. for the support of Weeks Public Library.

9. To see if the town will vote to raise and apppropriate the sum of $1,000. for the care of cemeteries.

10. To see if the town will vote to raise and appropriate the sum of $375. for the care of parks and playgrounds. This includes money for the repair of the summer house on the parade, repair of park benches, and the electricity for the light on the river for skating.

11. To see if the town will vote to raise and appropriate the sum of $50. for the observance of Memorial Day.

12. To see if the town will vote to raise and appropriate the sum of $175. for the Seacoast Regional Development Association for publicity and promotion as authorized by state statute.

13. To see if the town will vote to authorize the Selectmen to borrow money on short term notes in anticipation of taxes.

14. To see if the town will vote to raise and appropriate the sum of $4,500. to be used at the discretion of the Water Board and approved by the Selectmen, toward

the further development of the water system in the town Greenland.

15. To see if the town will vote to raise and appropriate the sum of $50. to purchase from Mr. Angelo Valzania a piece of land adjacent to the property which the town acquired from the State of New Hampshire for the future location of a stand pipe. The lot will then be sufficiently large for its intended use.

16. To see if the town will vote to raise and appropriate the sum of $900. for the establishment of an aeronautical fund as provided by RSA 423:6. This fund is to be used in the construction of the Seacoast Regional Airport which is proposed to be located in Stratham, N. H.

17. To see if the town will vote to transfer from the aeronautical fund to the N. H. Aeronautics Commission the sum of $900. for use for the purposes authorized by RSA 423:7 and 423:8.

18. To see if the town will vote to have the position of Fire Chief for the town of Greenland, N. H., changed from an elective office to that of an appointive position and that the Selectmen be authorized to annually appoint the Chief and two Deputy Chiefs to cover absence, injuries, or other contingencies which may occur to the regular Chief of the Department.

19. To see if the town will vote to raise and appropriate the sum of $600. for the purchase of 400 feet of new fire hose.

20. To see if the town will authorize the Selectmen to accept prior to the next town meeting, a section of road off Route 101, being the street under construction by Mr. Sherwood Small. This involves approximately 700 feet. This authority to be exercised only if and when the road is constructed according to town specifi-

cations and meets the approval of the town Planning Board, the Town Road Agent, and the Selectmen.

21. To transact any other business that legally may come before this meeting.

Given under our hands and seal, this twenty-first day of February, in the year of our Lord nineteen hundred and sixty four.

GEORGE E. GOWEN

G. NEWTON WEEKS

JOHN R. BRACKETT

Selectmen of
Greenland, N. H.

A true copy of Warrant—Attest:

GEORGE E. GOWEN

The Selectmen and the town of Greenland have suffered a great loss this past year by the death of one of its members. Frank G. Rolston served the town as a Selectman for 15 years and at the town meeting in March 1963 had been re-elected to his sixth three-year term. He died on May 17, 1963. The welfare of our town was truly one of his greatest interests and he is greatly missed by all of us.

As our town becomes larger the work of the Selectmen becomes more and more detailed, time consuming and involved. It is necessary that the Board of Selectmen become more and more dependent on the cooperation of the other officials. We are grateful for the unified efforts which now exist and hopeful that we can continue to preserve the pleasing aspects of a friendly village. We are dependent also on the citizens to assist in maintaining a town of which we can be proud. We must understand that the restrictions which must be in force as we grow in size are written for the benefit of the whole town.

We want to express our grateful appreciation to Mr. Frederick Beals for raising the flag on the town flagpole each day during the thirty days of mourning following the death of President John F. Kennedy.

Recognition is here given to William B. Brackett who has chosen not to be a candidate for re-election as Chief of the Fire Department. He was named to this position in January 1954 following the resignation of Mr. Robert Arey who had served since the organization of the department in October 1951. Mr. Brackett has served the town in this capacity for ten years and under his direction our Volunteer Fire Department has grown and developed into an organization in which the citizens have confidence.

With the resignation of the Rev. Mr. Sion Lynam, we shall lose one of our devoted citizens. In the past 15

years that he has been with us, his efforts and thinking always were focused on the welfare of the town.

It would be difficult to name each individual who has contributed to the success of the town but the Selectmen want to take this opportunity to thank everyone who helps to make our village a pleasant place in which to live.

WEEKS LIBRARY REPORT

New registrations for the year 1963	
Adults	33
Children	43

Circulation for the year 1963	
Fiction — Adult	3,183
Non-fiction — Adult	1,789
Children	2,616
Magazines	480
	8,068

New books added to the library	
Fiction	78
Non-fiction	82
Children	18
	178

Included in the above figure is the latest edition of Webster's New International Dictionary.

The library received a grant of $225 from the State Library for reference material. Through this grant, we have received sixty books on such subjects as American government, folklore, the United Nations, aviation, electronics, history, biography, and various other areas of interest.

Improvements to the library include a new filing cabinet, providing a place for the many pamphlets received; also the installation of water and a lavatory.

We extend thanks to the many friends of the library who have given books and magazines. A gift of $28.00 from the Greenland Grange enabled the purchase of the Wilson Standard Catalog and the Standard Catalog for high schools. These books have proved very useful and are a welcome addition to the library.

Respectfully submitted,

CATHERINE M. SYPHERS

Librarian

REPORT OF FIRE DEPARTMENT

During the period extending from Jan. 1, 1963 to Dec. 31, 1963 the Fire Department received via the Red Phone System a total of one hundred and forty calls (140). Of these calls only thirty-five (35) were for fire, the balance being from persons requesting information as to tax rates, zoning laws, town officers, etc.

In view of the above steps should be taken to have the various town officers listed in the phone book.

Of the thirty-five (35) calls received by the Fire Department twenty-nine (29) were local and the balance of six (6) for out-of-town assistance. With assistance being provided to Stratham on two (2) occasions, South Newington three (3) and help also being provided at the Exeter-Kensington forest fire.

On the local scene the Fire Department responded to the following type fires:

Buildings	5
Chimney	3
Woods and Grass	13
Car	1
Town Dump	2
Check Faulty Equipment	3
Crossed Wires	1
False Alarm	1
Total	29

Most serious damage occurred in the loss of a barn at Barrett's on Great Bay Road. Badly damaged house at John Bracketts, also complete loss of camp at John Bracketts and complete loss of a saw-mill off the Winnicut Road.

Est. value of property involved was $44,500 with an estimated loss of $14,550.

Under the Mutual Aid System the Greenland Department was aided by Portsmouth on five (5) occasions, Rye once (1) Stratham three (3) and North Hampton twice (2).

FINANCIAL REPORT

GREENLAND VOLUNTEER FIRE DEPARTMENT

January 1, 1963 to December 31, 1963

Balance on hand Dec. 31, 1962	$ 89.90
Rec. by Treas. Jan. 1, 1963 - Dec. 31, 1963	1,931.05
Total	$2,020.95
Exp. Jan. 1, 1963 - Dec. 31, 1963	1,597.08
Balance on hand Dec. 31, 1963	$ 423.87

Money was Expended as follows:

Hobbs Insurance	
Insurance on men, trucks and equipment	$ 408.34
Smith's Fire Equipment	
New equipment and Co2 rechargers	326.50
Portsmouth Tire Co.	
Six new tires and wheel, Engine 1	303.70
H and H Oil Company	
Gas, Oil and Serving of trucks	114.02
Station Phone, Maintained by firemen	106.02
Improvements to Hose Driving and storing racks	55.07

Car Plates	30.00
Treasurer Supplies	62.94
Flowers and Donations	27.00
Wiring on Siren	5.75
Membership in NFPA Magazines	29.00
Station Supplies	17.89
Misc. Hardware	31.27
New Badges	78.47
Total	$1,597.08
Total amount raised by members of Greenland Volunteer Fire Dept. Jan. 1, 1951 to Dec. 31, 1963	$15,690.70
Expend same period by Greenland Volunteer Fire Department	15,266.83
Balance on hand Dec. 31, 1963	$ 423.87

Also completed during the year by members of the Fire Department was the house numbering project. It is hoped that this will help the Fire Department in the prompt location of future fire calls.

Due to the present work in which I am engaged I find it necessary to resign my position as Fire Chief for the Town of Greenland and therefore this will be my final report.

I wish to take this opportunity to thank the officers and men of the Greenland Volunteer Fire Department for their wonderful support and co-operation during the period which I served as Chief and to also thank the townspeople for the support they have given the Fire Department and hope that the same support will be given to my successor.

Respectfully submitted,

WILLIAM B. BRACKETT
Fire Chief

REPORT OF POLICE DEPARTMENT

Herewith is the Annual report of Police Department activities for 1963:

Total number of calls	265
Accidents — Property Damage	29
Accidents — Personal Injury	6
Accidents — Death Resulting	1
Sudden Deaths Investigated	4
Arrests for the following:	
Larceny of Motor Vehicles	2
Possession of Intoxicants — Minors	6
Assault with Dangerous Weapon	1
Speeding	6
Stop Sign Violations	4
Escapees from Confinement	2
Arrests for Other Departments	8
Stolen Property Recovered	$3,500.00
Calls Relating to Dogs	30

The department wishes to thank the citizens and officials of Greenland who have cooperated and assisted in every respect.

Respectfully submitted,

RICHARD D. WENTWORTH

Police Chief

REPORT ON CIVIL DEFENSE

This past year, 1963, several changes have taken place in thinking and planning in Civil Defense. In the past, all emphasis was placed on evacuation of the inhabitants of many of the towns and cities of New Hampshire to other places far removed from possible targets in the event of nuclear attack from hostile aircraft. With the introduction of long range missles evacuation is now thought to be not practical. The emphasis now is on shelters, Fall-out Shelters. To protect from a nuclear blast is almost impossible because all buildings within a target area would be destroyed, and shelters against such attack would be very, very expensive to build and would afford protection to a relatively small number of people.

Public and private Fall-out Shelters are now the approved answer. The Department of Defense in Washington has been charged with the assignment to put this into effect. Naturally this has been stepped down to the State and then to the town or city to take care of itself as far as the selection, licensing and approval of shelters is concerned.

Here in Greenland we have the situation where there are no buildings that can be adapted to public shelters. The Central School is not suitable for such use. It would have to be rebuilt, most of it placed underground and it would not hold all of the people who might try to take refuge there. The population of the town is approximately 1,400. It is also true that number of people actually in the town during the day time is less than at night. The unit used in figuring the requirements for a public shelter is for fifty people for two

weeks. That means that enough food, water, light, heat and sanitary facilities must be provided to last that time. The same requirement holds true for privately built shelters, in the same proportion for a family or neighborhood.

The Director recently gave a talk to the Grange on this subject trying to inform the members of the necessity and requirements for survival. It is suggested that all residents give this thought and consideration. And again it is suggested that Mr. John R. Brackett be consulted with regard to the construction of Fall-Out Shelters.

GEORGE L. PRINDLE

Col. USA Ret.

Civil Defense Director

REPORT OF THE GREENLAND WATER BOARD

The Water Board and the Town of Greenland have this year made an agreement with the City of Portsmouth that insures the future extension and betterment of the water facilities in the town. The agreement states that Portsmouth will install piping where designated by the Water Board and furnished by the Town of Greenland. This piping then becomes the property of the City of Portsmouth and will be maintained by them. By working on a continuing yearly basis with a budgeted amount of money, the Town of Greenland eventually will have an adequate water supply.

This past year the 4" pipe on Portsmouth Avenue and on Tuttle Lane has been replaced. Twelve inch pipe was installed to the corner of Tuttle Lane and 6" pipe was installed on Tuttle Lane to join the 6" pipe line that services this area. This insures an adequate supply of water for anymore expansion of housing in this direction.

The Water Board is aware that there are still many areas of the town that need either extensions of water mains or improvement of presently installed piping. It is our aim to accomplish these items in order of their urgency within our limited budget. We are always ready to receive suggestions or discuss any problem concerning water. It is only necessary for one to contact a member and a meeting of the board will be arranged. The co-operation of the townspeople has been appreciated and the board hopes that they will continue to look on the board as an active, useful part of the community.

HERMAN W. PARKER, Ch.
FRANK J. LANE
DONALD H. LADD, Sec.
Greenland Water Board

REPORT OF THE FOREST FIRE WARDEN

During the past year New Hampshire faced the greatest forest fire threat to its woodlands in more than sixty years. The continued drought brought home to our citizens, as never before, the potential threat of destructive fires to their beautiful and valuable forests, homes and livelihood. In true American tradition of meeting a common threat by volunteer effort, this fire danger was minimized by active prevention, patrol and a relinquishing of personal rights for the common good. It was the greatest demonstration of public cooperation ever experienced by those responsible for local and state fire control. The ready forces of volunteer fire services kept the losses low. For their effort and public response the general fire service expresses its heartfelt thanks for a job well done.

Prevention however, is not just an activity for the bad fire years. It must be practiced until it becomes a part of our public conscience — a habit. Just plain carelessness with fire causes too many of our fires.

The following practices and suggestions will help:

1. Always have a permit for outdoor burning and burn within the terms of the permit and in a safe place. Burn late in the afternoon when the wind is down or on rainy or damp days. Check your fire and if winds develop extinguish it promptly.

2. Carry your rubbish to the public dump — it's safer. A neglected backyard incinerator causes many fires.

3. Never discard lighted cigarette or match. Make this a year round habit regardless of the safety of your surroundings.

4. Children caused fires are now a major concern. Keep matches away from them and teach them to respect fire and not make it a subject of play.

Lets all join with "Smokey the Bear" and "Keep New Hampshire Green" and growing in 1964.

SCHOOL WARRANT

STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District in the Town of Greenland quilified to vote in District affairs:

You are hereby notified to meet at the Greenland Central School in said District on Saturday the seventh day of March, 1964, at one thirty o'clock P.M. to act on the following articles:

The polls will be open for the election of District Officers at one thirty o'clock P.M. and may not be closed prior to seven o'clock P.M. Action on the remaining articles will start at eight o'clock P.M.

Article 1. To elect the following District Officers:

1. District Moderator.

2. District Clerk.

3. One member of the School Board for the ensuing two years.

4. One member of the School Board for the ensuing three years.

5. District Treasurer.

6. District Auditor.

Article 2. To determine and fix the salaries of the School Board, and Truant Officer and to fix the com-

pensation of any other officers or agents of the School District.

Article 3. To hear the reports of Agents, Auditors, Committees, or officers heretofore chosen, and pass any vote relating thereto.

Article 4. To see if the district will vote to send the 7th and 8th grade pupils to the Portsmouth Junior High School for the school year 1964-1965.

Article 5. To see if the district will vote to raise and appropriate for the construction, equipment and furnishing of a new elementary school addition to the present Greenland Central School and for making the necessary alterations to the existing building, a sum not to exceed $90,000 and whether the district will vote to raise all or any portion of this sum so raised and appropriated through the issuance of serial notes or bonds upon the credit of the district; and to further authorize the school board to determine the terms and conditions upon which the notes or bonds shall be issued including the sale and time and place of payment in accordance with the provisions of the Municipal Finance Act and any Amendments relating thereto.

Article 6. If Article (5) is adopted, to see if the district will vote to appoint a committee consisting of four persons to be appointed by the Moderator to advise with the School Board in the construction, equipment and furnishing of a new elementary school addition to the present Greenland Central School and in making the necessary alterations to the existing building, providing that plans and specifications shall finally be approved by the School Board acting alone as required by law, and to further authorize the School

Board to execute any and all contracts or agreements proper and advisable in connection with the construction, equipment and furnishing of said school addition and in connection with said alterations to the existing building.

Article 7. To see what sum of money the District will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state equalization fund together with other income, the income, the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

Given under our hands at said Greenland this fourteenth day of February 1964.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board of Greenland, New Hampshire:

I herewith submit my sixteenth annual report.

One change was necessary in the teaching staff this year. Miss Evelyn Rossi replaced Miss Carolyn Carr as teacher of grade 5.

The teaching staff for 1963-1964 is as follows:

Eugene Haight, Principal, Mathematics and Science, Grades 6, 7 and 8.

Mrs. Gwendolene Sanderson, Social Studies, Grades 6, 7 and 8.

Mrs. Erma Milner, English, Grades 6, 7and 8.
Miss Evelyn Rossi, Grade 5.
Mrs. Elinor Milbury, Grade 4.
Mrs. Lillian Hodges, Grade 3.
Mrs. Mary Varrell, Grade 2.
Mrs. Margaret Blakeney, Asst. Principal, Grade 1.
Mrs. Evelyn Arey, Grades 1 and 2.
Mrs. Eleanor Henry, Music.
Miss Mary Shea, Head School Nurse.
Miss Gemma Jean, Assistant School Nurse.
Mrs. Virginia Holder, Assistant School Nurse.
Mr. Harold Matava, Handwriting.

This is a conscientious and dedicated staff of teachers.

The enrollment by grades as of December 20 is as follows:

Grade 1	43	Grade 5	33
Grade 2	38	Grade 6	21
Grade 3	35	Grade 7	25
Grade 4	25	Grade 8	28

This is a total of 248 which is almost the same enrollment which the school had a year ago. The problem is in the lower grades and with another large first grade expected for next year according to the school census figures, it is apparent that additional space will be needed by next September. If the policy of not more than thirty pupils in a classroom is followed, it will be necessary to have a combination third and fourth grade class in addition to the regular grade rooms next year. This will require ten teachers and ten classrooms which is one additional teacher and two additional classrooms over the present numbers.

It would appear that the proposed solution to the problem of a four-room addition as approved by the School Board and the Advisory Committee is a logical one and I sincerely trust that the citizens of Greenland will approve this plan.

A portion of this report is a statement by Mr. Frederick King, Teacher Consultant for Supervisory Union 16. He presents some of the work which he is doing in his role as supervisor of elementary education. He reports as follows:

"In the constitution and by-laws of the New Hampshire Association of Teacher Consultants there appears as part of the purposes 'to promote means of bringing the highest educational standards to the communities'. One of the items that affects educational standards most is the responsibility that the teacher consultant has for providing leadership in curriculum development.

"One of the areas of the curriculum that has given us a chance for a great deal of in-service work is that of mathematics. You may hear young primary grade children speaking of 'sets', 'equations', 'base ten' and 'inverse operations'. There is no cause for alarm. The children are probably a part of an arithmetic program being tried in the grades.

"The trend in arithmetic is toward a more meaningful, exciting and discovery presentation. It has been labeled 'modern mathematics', but merely means that approaches and some of the content are new.

"As teacher consultant I have tried to provide opportunities for teachers in this area to become familiar with some of the new methods. Last spring many teachers took an extension course in modern mathematics sponsored by the University of New Hampshire and held in Exeter. This fall I held a series of meetings where teachers could view some films in new mathematics aproaches and discuss them. I have encouraged teachers to watch a weekly television program on the same topic. Many opportunities have been provided for sharing ideas, materials and techniques. I am happy to say that teachers are taking seriously the roles that they may play in new mathematics presentations.

"Curriculum change of a major nature is a slow process. One does not rush the school system into a new program without all the in-service background mentioned above. New mathematics is not in an experimental stage. The research, as well as some of the practice in the elementary classroom, has been going on for twenty years or more. Now, however, new text materials have been written for the elementary grades. We have tried some of these in our classroom this year on an experimental basis with consumable forms. At this writing an extensive testing program of arithmetic concepts is underway. I am attempting to evaluate the results and reach some conclusions about the programs being used.

"The final step is the formation of a committee made up of selected classroom teachers and principals with the teacher consultant acting as co-ordinator. This group will have regular meetings twice each month. It will be the job of the committee to make a text-book

selection in mathematics that we can use in the school years ahead. This is a big responsibility and will take many hours of working, thinking and talking before any results will be realized. The goal will be to select the best possible program for the highest educational standards we can achieve in mathematics.

"Another important area which I should like to mention briefly is that of providing students with a wealth of materials both of a non-fiction and a fiction nature. Many educators feel today that library provisions in elementary schools are an essential and basic service. Our children today require a full range of materials, accessible to and serving all of the children. Research has shown that learning takes place faster when it is reinforced with many supplementary materials. In schools sufficiently large enough we are either moving toward or now have a centralized school library. In the smaller schools we shall attempt to build up classroom collections necessary to provide proper sources to aid children in their 'quest for knowledge'. I am working closely with teachers and pupils not only to aid in the building up of these services but to provide help and guidance in the use of them.

These two mentioned areas of work indicate some of the curriculum development that is taking place. Continuing along with these are the classroom visitations, teacher conferences, classroom demonstrations, supervision of the testing program, preparation of guides and bulletins, and any of the other 'service roles' that the teacher consultant feels are aimed 'to promote means of bringing the highest educational standards to the community.' "

It is worth of note that the Greenland School District has received increasing amounts of Federal Aid under Public Law 874 and of State Foundation Aid during the past years. During the school year 1962-63, $16,901.00 was the income in Federal Aid and it is ex-

pected that about $18,000.00 will be received by the end of the school year 1963-64. In State Foundation Aid $5,730.29 was received for 1962-63 and $11,971.50 has been received for 1963-64.

I am sincerely hoping that Congress will pass legislation which will permit prayers and Bible readings in the school room.

In the light of recent events, we should all rededicate ourselves to the task of inculcating love of country and patriotism in the hearts and minds of our school children.

The excellent Hot Lunch Program is again in the capable hands of Mrs. Laura Allen and Mrs. Dorothy Booker.

Mr. John Odiorne continues his good work as custodian of the school building.

The Parent-Teacher Association takes an interest in the progress of the school as evidenced by the establishing of a school library this year.

I call your attention to the reports of school personnel and to the tables which follow.

I sincerely appreciate the continued support and cooperation of the citizens, members of the School Board and the teachers.

Respectfully submitted,

RAYMOND A. HOYT

Superintendent

Supervisory Union 16

Greenland, New Hampshire

ANNUAL REPORT OF THE PRINCIPAL

To the Superintendent of Schools:

It is my pleasure to submit the annual report of the principal of Greenland Central School.

On the first day of school last September the Greenland teachers enrolled 248 children. At present, 254 are attending classes. The registrations are keeping ahead of the withdrawals.

Because of the increased enrollment, the staggered noon recess has been retained from last year; grades 1 and 2, 11:30 - 12:15, grades 3 and 4, 11:45 - 12:30, grades 5 - 8, 12:00 - 12:45. A recent count in the cafeteria confirmed that 190 hot lunches had been served and another 50 cartons of milk had been purchased to supplement cold lunches. In spite of the crowding the children really are well behaved during lunch period.

The larger numbers of students in the upper grades combined with increased experience has resulted in high calibre boys' and girls' basketball teams. The Greenland boys' team won a beautiful trophy as runner-up in the Eliot, Me., PTA Tournament last March. Two Greenland boys received trophies for being chosen on the all-tourney team.

The Class of 1963 donated a trophy case to the school and expressed the hope that future Greenland teams would fill it. Both teams have started this season on the right track by winning their opening games. The scoreboard showed at the end of the boys' game that the Greenland team had scored 101 points! This must be some kind of record. Perhaps the thought of the new uniforms donated by the PTA inspired them.

I wish to express my sincere thanks to Mrs. Sheila Loch for taking time from her household duties to coach the girls team. It is no small task. My thanks go also to Mrs. Ruth Ladd for her past and present efforts on behalf of both teams.

The school library has become a reality with the arrival of many books and periodicals. Mrs. Barbara Parker and her committee deserve much credit for accomplishing the tedious work involved in starting a library. Thank you very much, ladies.

Another committee is presently working with our teacher-consultant, Mr. King, and teachers and principals from the other districts in Union 16, in an effort to choose a modern mathematics text. Mrs. Mary Varrell and I are representing Greenland.

Mrs. Margaret Blakeney is cataloging and organizing our collection of film strips for easy reference. An additional film strip projector and a film strip cabinet have been purchased with matching funds from the town and the federal government.

Several of the faculty have taken courses during the past year and are now attending classes to maintain and improve their professional standards.

In closing, I would like to thank the members of the School Board, Mr. Hoyt, Mr. King and the other Supervisory Personnel, the School Faculty, and other members of the staff, and the Greenland parents for their cooperation during the past year and express my confidence in the future of Greenland Central School.

Respectfully submitted,

EUGENE F. HAIGHT

Principal

SCHOOL HEALTH REPORT

To the Superintendent of Schools:

Child Health is a community concern, but parents have the primary responsibility for the health of their children. Good health services exist where there is co-operation among parents, the school and community agencies.

Although Speech Therapy is available, some parents seem to consider such help a disgrace to themselves and to their children. Probably nine out of ten cases of speech difficulties in children are correctable. They *all* need attention, however, since very few ever recover spontaneously. Many will become worse if neglected. The ability to express one self today is of increasing importance — so why handicap a child needlessly?

A society changing as ours is today increases the uncertainty and unpredictability of life which is shared by all generations. Some of our children, first grade through senior high, show this anxiety in their unstable behavior. We are fortunate in our area to have psychiatric and Family Service Agency help, but the needs for stable emotional health are far from met. The increase in numbers of disturbed children far outdistance the available services. The schools and communities cannot solve these problems alone. Help is needed from the State and Federal levels.

Naturally, your School Health Services deal with problems, but our report is not all in this category. We are pleased to write that on the whole we are above the average community in health and protective meas-

ures, and that most of the children are healthy and happy. We can thank the excellent cooperation we receive from school boards, administrators, teachers, parents and community agencies in bringing this about.

One request we would like to make is for better community education at the adult level in all phases of physical and emotional health. In this way, the family will be better prepared to instill in its children good health habits and practices.

Respectfully submitted,

MARY G. SHEA, R. N.

GEMMA R. JEAN, R. N.

VIRGINIA D. HOLDER, R. N.

School Nurses

January 21, 1964

Greenland, N. H.

REPORT OF THE MUSIC SUPERINTENDENT

To the Superintendent of Schools:

As the music supervisor, I have tried to include, in my teaching, as many as possible of those musical activities recommended for today's school music program.

In addition, an excellent television program in music education is now available, which helps to enrich the school program.

Placing of the child's voice, ear-training, rhythmic activities, work with rhythm band, learning to play tonettes and the auto-harp, becoming familiar with the fundamentals of music, reading notes, singing in unison and in parts, participation in singing games and folk and square dancing are all included in the school program.

A school record player may be used at any time for listening, music appreciation, or singing with sing-along records.

New third grade music books were purchased for Mrs. Hodges' pupils.

In the spring the operetta, "Tom Sawyer and Huckleberry Finn" was presented by the students of the three upper grades. From part of the proceeds a portable record player was purchased, tapes were bought for the tape recorder and a subscription made to an educational magazine. A sizeable amount remains in the bank to be used as needed.

I should like to thank all those who, in any way, helped to make the operetta a success.

Special music was prepared for the Baccalaureate Service and Graduation exercises held in June.

A Thanksgiving assembly of the entire school was held on the day before Thanksgiving. The pupils of each room presented a short program for the others.

In closing my report for 1963, I wish to thank Mr. Hoyt, Mr. King, the members of the School Board, the PTA, Mr. Haight, the teachers and the parents for their cooperation throughout the year.

Respectfully submitted,

ELEANOR HENRY
